

### **AGREEMENT**

This Agreement ("Agreement") is entered into by and between Corners	tone Country Canine, LLC ("Company") and
the dog owner.	

Dog Owner	 ('	"Owner")
Dog(s) Name/Breed(s):	 	

#### 1. Assumption of Risk

The owner represents that they are the legal owner of the above-named dog(s) and assume all risks, dangers, and responsibility for injuries to the named dog(s). The owner understands and agrees that they are solely responsible for any harm while their dog(s) is/are attending daycare or boarding.

#### 2. Photo and Video Release

The owner agrees to allow Company to use the pet's name and any images or likeness of the pet taken while at Company in any form, for use at any time, in any media, marketing, advertising, illustration, trade, or promotional materials without compensation. The owner releases Company from all rights to such images, likenesses, and recordings.

#### 3. Dog's Health

The owner understands and agrees that their dog(s) are healthy and will have current vaccinations for rabies (RV), distemper (DA2PP), Bordetella (Bord), and Canine Influenza (CIV) and annual fecal. LEPTO vaccination is recommended due to the country setting but is not required. The owner is not enrolling any dog that has any condition that could jeopardize the health of other dogs or people and has not had any potentially communicable condition within 30 days prior to enrollment. The owner agrees not to hold Company responsible if their dog(s) contract Kennel Cough or other dog-dog transmitted ailments.

Initials: _	
-------------	--

#### 4. Flea/Tick Free

All dogs must be flea/tick free. If a dog is observed to have fleas or ticks, a flea/tick bath treatment will be applied and charged to the Owner at a rate of up to \$80.00 depending on the severity and size of the dog.

#### 5. Foxtails and Weeds

Company performs routine maintenance on property, but weeds are still present. The owners should carefully inspect their pets for foxtails and stickers upon pick up from daycare or boarding. Company checks boarded pets in the evenings as best as possible depending on the dog. Company will not be held responsible for any missed stickers or foxtails.

#### 6. Intact / Unspayed

Due to veterinarians recommending that dogs stay intact longer, Company will accommodate intact dogs depending on behavior, temperament, and age. NOT ALL INTACT / UNSPAYED DOGS WILL BE ACCEPTTED. Company can terminate a dog's stay at their discretion or ask that the dog be neutered or spayed before returning. The owner acknowledges and accepts that if they decide to leave their unspayed female, there is a risk of her being bred if she comes into heat. The owner understands that while the company will take measures to keep their unspayed female separated from intact males within the constraints of the fencing, it cannot guarantee that an intact male will not breach the fencing to reach the unspayed female dog. The owner agrees to not hold the company liable for any breeding that may occur if an intact male gains access to the area where their unspayed female is being kept.

#### 7. Group Play

All dogs must pass a general behavior assessment to attend dog-dog group play. No dog showing any signs of aggression may be admitted. The owner represents that their dog(s) are in good health and have not harmed, shown aggression, or exhibited any threatening behavior towards any person or other dogs. Dogs demonstrating unacceptable behavior may be required to leave daycare/boarding.

#### 8. Release of Liability

The owner understands and agrees that during normal dog play, injuries may occur. Dog play is monitored to best avoid injury, but scratches, punctures, torn ligaments, and other injuries may occur despite the best supervision. Neither daycare/boarding nor any of its employees, staff, or volunteers will be liable for any illness, injury, death, and/or escape of The owner's dog(s), provided that reasonable care and precautions are followed. The owner releases Company, its staff, and volunteers from any liability arising from their dog(s) attending the facility.

The facility has a 5ft perimeter fence that is buried 1ft in the ground and dual gate system in place for dogs coming and going. If your dog can go over or climb the fences or gates, the owner will not hold Company liable for loss of dog or injury from going over the fences or gates. The owner will be notified as soon as possible should their dog go over the perimeter fence. It is recommended that if your dog is a flight risk, that you place a GPS tracking system on your dog.

#### 9. Personal Property

The owner is solely responsible for any harm caused by their dog(s) to other pets, employees, invitees, or property. Company is not responsible for any lost or damaged personal property belonging to the owner or the owner's pet.

#### 10. Food/Medications

When boarding overnight, the owner agrees to leave an adequate supply of food and medications. If replacements are needed, the owner authorizes Company to purchase them and the owner will reimburse the actual costs plus up to \$25.00 trip fee (per occurrence).

#### 11. Veterinarian Liability and Care

The owner agrees to allow Company to obtain medical treatment for their dog(s) if needed. The owner is fully responsible for the cost of such treatment and transportation. Permission is given to use the owner's vet or the nearest 24-hour vet hospital.

Initials:
-----------

#### 12. Weakened Immune System

The owner understands that special-needs dogs, young puppies, and senior dogs have a higher risk of injury or illness. By using our facility, the owner waives any claim for injury or illness experienced by their dog.

#### 13. Elderly Dogs

If an elderly dog passes on while in our care, we will transport the dog to the owner's vet (within 15 miles) or the nearest 24-hour facility if necessary. Trip charges will apply based on time/distance.

#### 14. Grooming

The owner agrees to keep their dogs' nails trimmed, as long nails can cause injury to people and other dogs. If the owner wants their dog bathed prior to pick-up, it will be done at the owner's expense upon request.

#### 15. Prepaid Packages

Prepaid daycare packages are nonrefundable unless terminated by owner. The monthly packages expire 30 days from purchase. The 5, 10 and 20 days discounted packages carry month-to-month until used or 12 months from purchase and expire if not used. Monthly and discounted packages are available only if paid in advanced.

#### 16. Payments

Payments are due at the end of each visit. Clients will receive their invoices via QuickBooks and may settle payments using QuickBooks, cash, check, Zelle or Venmo. Please note that credit cards are not accepted, and payment information will <u>not</u> be retained on file.

#### 17. Cancellation / No-Show Policy

Cancellations must be made 48 hours prior to the reservation date. If cancellation notice is less than 48 hours, a fee equivalent to two nights' stay will be charged.

#### 18. Closing Time

If the owner's dog(s) is/are not picked up by 6:00 p.m. PST, the owner authorizes overnight boarding and agrees to pay the applicable charge plus any charge for required food.

#### 19. Right of Refusal

Company reserves the right to refuse admittance or dismiss any dog that does not meet health, temperament, or other standards. This determination is at the sole discretion of Company.

#### 20. Driving on Private Road

The facility is on a gravel road not maintained by the county. **Please be considerate of our neighbors and drive 10 MPH on the gravel road.** Excessive dust and fast driving may result in dismissal. Company will arrange safe pick-up and delivery during significant rain events.

#### 21. Full Force and Effect

Each provision in paragraphs 1-21 shall apply to each occasion on which the owner's dog(s) stays with Company. This Agreement remains in full force until cancelled or superseded by a signed writing.

The owner hereby certifies that they have read and understand this Waiver and Release of Liability and the regulations set forth above. By signing this agreement, the owner agrees to be bound by its terms and conditions.
